Hi Andrew,

Absolutely!

Hi all,

I'm planning on including material from our HFNG Cu/Ti NIM manuscript as part of my dissertation. To do so, I need to get statements granting me permission to use and reproduce the material as part of my dissertation from all co-authors. Emails from co-authors giving permission will be accepted.

If you're okay with that, can you please respond back with a short statement agreeing to this release? Thanks!!!

All the best,

Andrew S. Voyles
